Receive Tones	
Control Light Issue:	
Antenna	
Radio:	Turns On
Transmissions:	
Problem Frequency	
Problem Seems:	
Narrative:	During execution of a search warrant, Sgt. Jeff KRANZ used portable radio from within above location to report various stages of the process, on channel 15. I was parked in vehicle 365 approximately 150 ft northeast of the target apartment on Using handheld radio all I heard was clicking and hissing and was unable to understand any part of his transmission, nor was I even sure a meaningful transmission was taking place.
