Audio	
Transmit Tone:	
Receive Tones	
Control Light Issue:	Doesn't Light Up
Antenna	
Radio:	Turns On
Transmissions:	Will Not Receive
Problem Frequency	Continuous
Problem Seems:	Non Location Dependent
Narrative:	<p>This report is written by PO John NEUBURG, assigned to District 5, late shift. On saturday, February 20,2010 at 1:00 AM, I was at . investigating a family trouble. My radio was on channel 1 with the volume turned up. I heard my partner's radio broadcasting, but did not hear anything out of my radio. I checked and confirmed I was on the same channel and that my volume was on by turning the volume up and down. This did not correct the problem. I eventually turned my radio off and back on which did eventually correct this problem.</p>
