**Narrative:** Once again this portable radio will only transmit in STEALTH mode. Something is fouling this radio out and it is a major safety issue.

The radio reception seems to be much improved.

Also at one point, in STEALTH mode the radio was not transmitting until i attached the main antenna back on. The radio has a mic antenna attached. It should be noted the antenna is not the issue and this in not a users manual to fix.

I will use this radio at \_\_\_\_\_, however it needs to be picked up from the Training Bureau on Monday, 05/11/09 and either replaced or made to work with officer confidence.

Also radio reception and transmission is out when inside in many areas of :
