WAGNER (radio# 8022) were conducting a saturation patrol in the area due to homicides and shootings in the area. P.O. WAGNER heard Squad 4469 get dispatched over his radio. He parked the squad in the alley nearby and approached on foot and heard a female voice yelling and screaming. He observed and the called identified a white car leaving the area as being

involved. P.O. WAGNER attempted to use his portable radio to broadcast this information but only heard three beeps when he keyed the microphone.
