Narrative:

This report is written by Sgt. Todd G. LEWAN, assigned to District Zfour, late shift. All of the below radio transmissions were attempts outside on a sidewalk or street. On 07/25/2009 @ 1:29 am. (CAD# 092060177), Squad 4422, P.O. EDWARDS and P.O. POPE were dispatched to a PDO on Dr. At 1:36 am, they changed locations to . to perform follow-up where a witness identified a subject as being a hit and run driver. Upon sight of P.O. EDWARDS, the subject fled on foot. P.O. EDWARD (radio# 8048) engaged in a foot pursuit and attempted to broadcast such by "calling for the air" after keying his portable microphone. P.O. EDWARDS heard a beep (indicating he had the channel) and then spoke into the mic but received no

response. During the foot pursuit he tried to broadcast again but as he had temporarily lost sight of the subject and as he keyed the portable mic he heard three beeps. P.O. EDWARDS then ended the pursuit and was finally able to transmit and receive transmissions at about 1:40 am.
