Transmit Tone: 3 Beeps

Receive Tones Beep every 5 seconds

Control Light Issue: Doesn't Light Up

Antenna Antenna Symbol

Radio:

Transmissions:

Problem Frequency Intermittent

Problem Seems: Location Dependent

Narrative: On 03/22/2010@ 2:30 pm, I was dispatched to holding a runaway who is a victim of
 Police Call#100811160. Upon determining the injuries to the victim, at 3:05 pm, I had made several attempts to raise the City Dispatcher on channel 7, which was met with several beeps from my hand held radio and with no response from ther dispatcher. From the office phone, I established phone contact with the Communication's Sergeant who transfered my call to the City Dispatcher. I requested an incident number and a photo car to meet me at my location.
