Narrative: While conducting a traffic stop at dispatch with the traffic information. During the transmission, I was able to transmit for three(3) to four(4) seconds before my radio (8127) cut off. I then attempted several times to get a hold of dispatch with my handheld radio with no results. I had to use our squad radio, which is an older model Motorola radio, to transmit the information. Sq#7237 (PO Patrick REITER and PO Katrina Harris) responded to our location. They were also equipped with the new handheld and squad radios. While on scene, Sq#7237 were experiencing the same problems. I attempted to notify
