Comments Today, April 8, 2010, at about 9:30 p.m., per Captain Williams, I sent squad 2290 PO Michael Thomae in wagon #378 to the 600 -
to check the reliability of both the handheld and squad radios in that area. The following are the results of that check:

Approx the radios worked

Using the handheld, the first two attempts to transmit were met with multiple beeps. On the third attempt it did transmit but the transmission was garbled. Using the squad radio, the first two attempts were met with multiple beeps. On the third attempt, the squad radio transmitted and was audible.

I the radios worked

Approx I the radios worked.

Officer Thomae stated that the problem area for the radios appeared to be confined to the
present any problems for him.
