<b>Narrative:</b>	<p>On 04-02-10 at 1:06am, my partner Gregory BYERS and I (sqd 3340) responded to a shooting investigation at [redacted] My radio did not work inside the house at all, every time I tried to get on the radio I got a long beeeeeeep, then subsequent "beep, beep, beeps" every few seconds. I was unable to give a suspect broadcast until I went outside the house. I then went to the hospital with the victim who was a C1, tried calling for a Sergeant and was unable to receive or transmit the entire time I was at [redacted] The time span was (1:06am-6:00am).</p>
