This email is in response to your radio trouble report regarding the area of .
At about 1:30a.m., on Sunday 04/18/10, per Captain Williams, I assigned Squad 5438, PO John Shipman in car #004 to check the reliability of the radio in that area.

Shipman check the area of . and reported that he had no problems with either his handheld or his squad radio. Shipman stated he also checked the areas between Locust and Columbia and between . streets and was able to receive and transmit without any problem.
