<b>Narrative:</b>	<p>On 04/19/2010 while at the crimes scene I established radio contact with the city dispatcher (channel 7) for a request of a ID tech to meet me at my location. City dispatched inquired as to my exact location. I was unable to respond. Several attempts were made to contact City dispatch but I received the dreaded beeps when attempting to transmit. Through my cell phone I contacted another squad who was not at my secne and through his squad radio contacted the city dispatch to confirm my exact location.</p> <p style="text-align: right;">Good Grief</p>
