Xmit/Rec Issue:	Transmit
Audio	Too Quiet
Transmit Tone:	
Receive Tones	
Control Light Issue:	
Antenna	
Radio:	
Transmissions:	
Problem Frequency	
Problem Seems:	
Narrative:	I ran my own test today with the console at District #3 and I was told that when I Xmit with the radio he has to turn the volume all the way up to hear me. Squads can't hear me. I hear them garbled, but the garble is not consistent so sometimes I can hear them but they can't hear me. This is still a huge problem that is not fixed.
