<b>Narrative:</b>	<p>Squad 857 (PO KUMBIER &amp; PO HARTL) attempted several times to call out on an FI stop at _____ on his portable radio. The first time he called in he was somewhat garbled, but readable. After I told him to go ahead with his location, he became very unreadable and several times I only heard keyups of the radio. Finally he tried his mobile radio to transmit was able to contact the dispatcher. Exact time on the freedom call check was 10:28am (Call Check ID# 34244129)</p>
