<b>Narrative:</b>	<p>This report is written by PO John NEUBURG, assigned to district 5, late shift. On 5-7-10 at approximately 5:50AM, I attempted to contact dispatch and advise them that I was c-18 and enroute to my next assignment. I pressed the button and waited for the transmit beep. After receiving said beep, I stated, "you can give us a C-18 on the training and show..." when I received a single long beep that lasted approximately 2 seconds. Dispatch stated that they heard I was c18, but did not hear the rest, even though I continued, "you can show us enroute to that OAI assignment on 18th St". This happened while I was in my squad in the squad parking lot near the alley.</p>
